Development Department.

Sir,

In the budget of the Provincial Weavers society for the year 1936-37, provision was made to open sales depots at Bezwada, Calicut and Madura. These depots have been opened. The Adoni Weavers society in the Bellary district which is doing useful work however represented to the Provincial society that if a sales depot was opened at Bellary, its goods could be marketed easily. With a view to help the weavers' societies in the ceded districts the Provincial society opened a depot at Bellary in December 1936. As the budget for the year 1936-37 does not provide for any expenditure over this depot, the Provincial society requests that Government may be pleased to

›leased to approve of its action in having opened a sales
lepot at Bellary. The expenditure will be met out of the
savings in the existing budget provision
